

**OFTEN COPIED / NEVER EQUALED™**  
**SINCE 1958**

These hand trucks provide for safe and easy handling of large liquid cylinders. These trucks have a fast-adjusting lifting hook designed to fit a variety of large liquid cylinders on the market today.

Features include a 3-point tilt design, heavy-duty reinforced lightweight tubing frame, top ring safety chain, fast-adjusting nylon belly-band and large 6" heavy-duty rear locking casters that can be easily removed and replaced for repair and maintenance.
